

## **FISCAL NOTE**

### **HB 3829 - SB 3835**

March 10, 2006

**SUMMARY OF BILL:** Requires TACIR to conduct a study of solid waste in Tennessee using previous studies. The results of the study would be reported to the General Assembly by February 28, 2007.

#### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact – To the extent that TACIR gives priority to this study, such study will result in a one-time increase in state expenditures of \$53,750. To the extent that TACIR does not give priority to this study and completes it utilizing current staff, there will be a one-time increase in state expenditures of less than \$7,500.**

Assumptions:

- If TACIR gives priority to this study, they will require a contracted solid waste researcher. Salary and indirect costs for such a researcher would result in a one-time increase in state expenditures of \$46,350.
- Publication and other administrative costs are estimated to be less than \$7,500.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
